## **North Peru**

### **Cultural trip to Trujillo-Chiclayo, Chachapoyas, Cajamarca and Cusco**

This trip is designed for the culture lover that wants to travel the non-tourist route. The Northern part of Peru houses many archaeological sites of the Pre-columbian Moche and Chachapoyas culture. One of these unknown treasures of Peru, the old city of Kuelab, is also called the Macchu Pichu of the North.

After the pre-Inca impressions we travel to the capital Lima where we enjoy a folklore night with dance and music, before heading to Cusco, the Inca city. Macchu Picchu is reached by a 4 day trekking around the mountain of Salkantay.
